

Certificate of Service Supplier Approval

A. S. Moloobhoy Pvt. Ltd.

This certificate herewith affirms that **A. S. Moloobhoy Pvt. Ltd.** has been appointed by Orolia BV as an officially authorized Service Supplier in the region of **India**.

This appointment verifies that this representative is classified as an approved Service Supplier, including permission to service and provide maintenance for **NetWave** and **Rutter** branded complete line of VDR products.

Additionally, this certificate affirms that this service supplier is approved to accomplish the following duties:

- Installation: both planning and execution.
- Servicing: regular maintenance, diagnosing, and rectifying malfunctions.
- Annual Performance Test (APT).
- Technical consultation with the owners, managers, operators, and builders of vessels as well as with classification societies, flag administrations, other naval engineering and architectural companies, entities and organizations who may be involved in the fitting and operation of voyage data recorders aboard vessels.
- Other technical work, as may be required by our company.

This agreement shall be valid for an initial period of **24 months** till the date set forth on this certificate.

For further reference on certification, please check website of Orolia B.V. (www.netwavesystems.com) for latest status of appointments.

Issued by the manufacturer as per IMO A.861(20) and MSC.1/ Circular 1222.1;
