Dear Nafeesa,

Many thanks for sending us the clippings from Economic Times and Shipping Journal regarding ASM and especially regarding yur achievements.

Kudos to you and your team for all the good work you've put in!!!!

ASM has turned out to be a formidable entity in the shipping industry
Your letter says that this is due to the patronage and support of your customers. We would go to say that this is your greatness.
We think this is entirely due to the dedicated efforts put in by your team.

As quality conscious shipowners who would like to use nothing but the best for our vessels, We can say that with you and ASM our vessels are in safe hands.
History shows that Shipping has always been a Male dominated sector and for a woman to leave an impact is certainly an achievement.

From our end at GESCO. We wish you and your company a year full of opportunities and successes.
We look forward to continued cooperation & quality products from your end in the future.

We further take this opportunity to wish you and your dear family and all at ASM a very, very happy, prosperous and bright new year 2008!!!

Warm regards,

David Birwadkar
