**Dear Nafeesa,**

Thank you for sending me your two recent articles featuring A. S. Moloobhoy & Sons, in the Economic Times ET Shipping & Logistics section and Times Shipping Journal.

Your company, which is more than a hundred years old, is making very good progress under your leadership. It was very impressive to read about your ambition to make ASM the Infosys of the Shipping services segment.

I send you my very best wishes for fulfillment of your ambition, and great growth and development of your company under your leadership.

With best personal regards  
Yours sincerely

**Jasu Shah**
