20th December 2007.

Dear Nafeesa,

We are in receipt of your letter dated 15th December 2007 along with the enclosures of The Economic Times and Times Shipping Journal.

We congratulate you on being on the cover page and a cover story for such a prestigious journal. Your published interview in The Economic Times is straightforward and to the point which is also very motivating, especially for women entrepreneurs. The interview and cover story must have brought the ASM into limelight which is advantageous for the growth of the company.

We wish you all the very best for the future and hope your company will continue the good work in the Shipping Sector.

With best regards.

Yours sincerely,
