Dear Nafeesa,

My heartiest congratulations to you for the success of your company and also for your personal growth as a grand career woman.

It was really nice reading the article about your esteemed company. The company has grown and reached wonderful heights only because of the efforts put in by you and Adil.

The article and your interview gave a lot of insights about your company policies, the employee benefits and the wonderful team spirit. It also traced a beautiful picture of your career and your path to becoming a successful entrepreneur. However one little thing that I choose to disagree with is the statement where in you said that a woman needs a man's shoulder to be successful in shipping. I believe that until and unless the woman is an achiever in herself she cannot succeed in anything be it in any field. The same applies to you.

Finally I would like to conclude by congratulating you & Adil and the whole team at AS Moloobhoy & sons. May the company reach greater heights and may you get grand success in the years to come.

As a token of my best wishes I am enclosing a book titled "Greece Through The Seasons.

With Best Regards,

Yours Sincerely

(Capt. Anoop Kumar Sharma)
