Dear Ms. Nafeesa,

It was a pleasant surprise to see you in person in the IRS function the other day. Cmdr. Raina handed over a copy of your letter this morning and it was indeed a matter of pride to see you both in the picture receiving the coveted award. What was more interesting was the subject you received the award for and is testimony of your dedicated service to customers. I would like to congratulate both of you on this outstanding achievement on behalf of Bureau Veritas Certification team and wish you many more awards coming your way in your journey towards excellence in every sphere of your activity. This award has made us feel proud of our association with your esteemed organization and has enhanced the value of Bureau Veritas Certification mark printed on your letterhead.

Some people succeed because they are destined to, but most people succeed because they are determined. You are the determined one.
